To whom it may concern:

Under the USEPA's FOIA CFR Title 40, Part 2, our firm is requesting an opportunity to inspect or obtain copies of public records related to the property located at the following address:

*Sherman Avenue (Tax Block 691, Lot 5), Harrison, Westchester County, New York 10640.*

We are specifically looking for environmental reports, sampling data, environmental files, records, permits, laboratory data and environmental investigations pertaining to this property. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00.

If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.
